NEWSLETTER

June 1993

GET OUT YOUR REFRIGERATOR MAGNETS!

The colorful cover for this newsletter also serves as a refrigerator poster reminder of the upcoming Reunion in Lewiston. OK, OK, I know I messed up the dates in the last newsletter - in fact, I couldn't even find a *remotely* close calendar that had those dates on a weekend. The real dates are **Friday, August 6th, through Sunday, August 8th**. Now, did I get them right **THIS** time?

REUNION PREREGISTRATION TIME IS HERE

The form enclosed is to be used for preregistering for the Reunion. Preregistration is necessary so we can get a good count to plan for meals and other activities. There will also be registration at the Reunion itself, late Friday afternoon and Friday evening, and Saturday all day.

Please let us know if you will be coming, even if you don't pay until you get there. We need a good head count for planning.

For those who are preregistered, check-in will be much easier because we will have your registration package all ready for you. Those who register at the door will have to give us time to get it ready at that time.

A SUPER-WHAZOO PICNIC

This Reunion has a special activity planned for Saturday during the day - a real, honest-to-goodness family picnic! Complete with cookout, fun, kids games, and a superb entertainer. Join us from 11:00 AM to about 3:00 PM for these festivities. We are trying this to encourage families with kids to bring them if they want, so the kids can share in the fun and learn about the family history.

We will have a large tent to provide protection from the sun and from the rain (it wouldn't dare). There will be tables and chairs in the tent. Folks can gather and visit in comfort while the kids (of all ages) play. If you have your own special lawn chair you enjoy, why not bring it along?

AND THE BANQUET, OF COURSE

Saturday evening we will have our traditional banquet, with dinner, meeting, fun, entertainment, and dancing after.

Many door prizes will be awarded - these are all items donated by various members for that purpose. The preregistration form has a place for you to indicate any item you want to donate. Many very beautiful crafted items have been given away at each Reunion, and many look forward to this event.

We will also have a short business meeting at the banquet. At that time we will recognize the many who have kept this Association going over the years. We will elect officers for the next triennium and select the site for the next Reunion. If you want to hold the Reunion in your area in 1996, now is the time to get your plan together so it can be considered in Lewiston. The current Reunion committee can help you immensely in planning, and the Secretary does the mailings!

We always have fun honoring those with special achievements and attainments as well. If you haven't participated in this before, you should know you are in for a good time.

SUNDAY WRAP-UP

For those who can stay over Sunday morning, we will join in Mass as a group and have a continental breakfast at which we can say our farewells before starting out on our journeys home.

IT ALL STARTS FRIDAY EVENING

For those arriving Friday evening, the Reunion hall will be open from about

3:00 PM on. You can register at that time, and mingle with those others who are coming in that evening. The Friday evening event is not a formal part of the Reunion, but has proven to be fun in the past. Various family members have had slide shows for us to watch Friday evening, and we have a special place all ready for that activity as well.

WHERE WILL IT BE?

All the Reunion activities will be held at the Function Facility in Lewiston, Maine. This is located at the old Lewiston Raceway grounds, which used to be the Lewiston Fairgrounds before that. The new Function Facility is a beautiful place with a very spacious and gracious banquet hall upstairs. Elevators are available.

The picnic on Saturday will be outside in a grassy area which used to be the racetrack infield.

The Function Facility also has a large bowling alley, game room, and a full-swing indoor golf facility! An excellent restaurant is located there - Jun-

gle Jim's - making the whole place a full recreation center you would want to visit even if the Reunion were not being held there!

SPECIAL ENTERTAINMENT

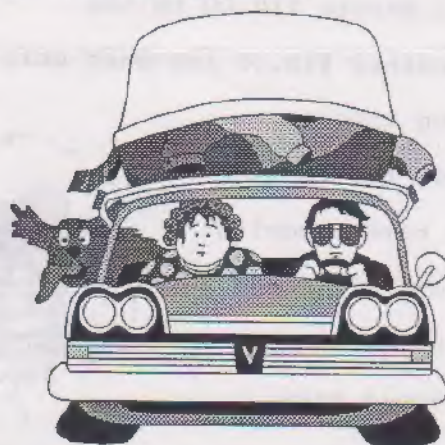

Our Saturday picnic will feature Randy Judkins from Scarborough, Maine. We don't have his program fixed yet, but he always puts on a good show. He is an actor and a visual and character comedian, as well as a unicyclist, juggler, mime, and magician.

Randy has been doing shows since 1975, and does over 150 performances each year. He has won many awards for his work and has taught at Ringling Brothers, Barnum & Bailey's Clown College. He has appeared at many conventions such as for Woman's Day Magazine at the Food Marketing Institute's annual Chicago conventions in 1987, 89, and 90.

Randy will bring a special delight to kids and adults, one and all.

Our banquet will also have a dance following all the activities, and we will have a live band. The band's name is Cheyenne, and before you accuse me of bringing it from Wyoming I will assure you it is a good, down-home, Maine band. Cheyenne comes well-recommended, and they will play a wide variety of music for our dancing and listening enjoyment.

WHERE TO STAY

A list is enclosed that shows the motels and hotels in the Lewiston-Auburn area. The list is ordered by increasing distance from the Function Facility, but nothing listed is more than about seven miles away. We have secured a block of rooms at a special rate at the Coastline Inn in Auburn, and they will hold these at those rates until July 6th.

We recommend that you make your reservations early to avoid the last-minute rush. The annual Franco Festival is being held the same weekend in Lewiston, so rooms may become scarce if you wait too late.

HOW TO GET THERE

Lewiston is on I-495, the Maine Turnpike. Take Exit 13 for Lewiston, then follow route signs for US 202 toward Augusta. The Function Facility is on Main Street, which is US 202 in Lewiston. You can also take Exit 12 for Auburn, then go north and follow signs for US 202. Coming in from the north through Augusta, you can take US 202 toward Lewiston.

SPECIAL ITEMS AVAILABLE AT THE REUNION

We plan to have concessionaires there who will offer tee-shirts and hats with the Violette Family Association emblazoned on them, as well as the normal items including Violette Roots bumper stickers, Violette pins, and Rita Lippé's book and Maurice Violette's booklet.

A special item available by special order is a 16-inch tall doll named Violette. See the listing on the back from Marlene's Specialty Shoppe in Lewiston. Marlene is an Association member, and is making us a special offer on this doll with the unusual name (well, it *would* be to most other people!). Please note the end of June date for deposits for this special doll. Also, please deal directly with Marlene for this, not through the Association.

Lewiston, ME 04240
Tel. 783-2031

VIOLETTE DOLL

When I was going through my doll catalogs I found a doll with the name Violette. It is unusual to see a doll that her name is spelled like our name.

I thought this doll would make a nice memento of the Violette reunion.

Her price is \$120.00. I would sell her for \$110.00 with a doll stand. Every doll sold I will donate \$10.00 to the Violette Family Association. Also another \$10.00 for each doll sold to a charity that the Association chooses.

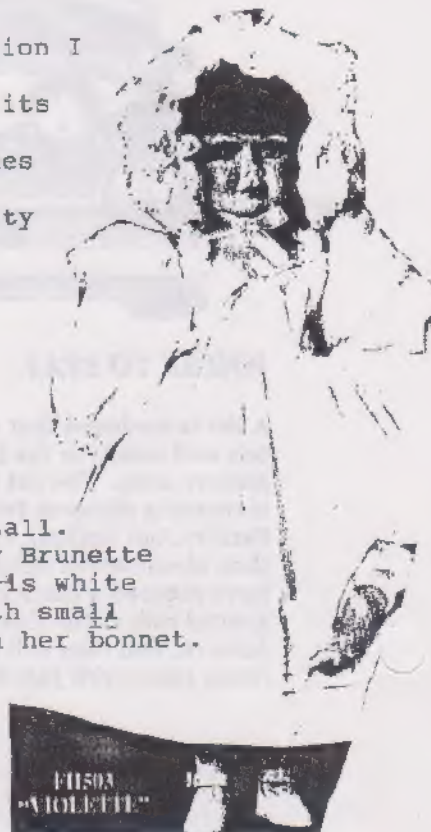

To be able to have the dolls for the reunion I would need a \$50.00 deposit. Please have deposits in before the end of June. As each deposit comes in I will order the doll. There is a possibility that these dolls could sell out and would have to be reordered, that could mean a delay.

Doll & Bear Hugs,

Marlene

Violette is 16" tall.
Green eyes, Sandy Brunette
hair. Her dress is white
cotton eyelet with small
violet flowers in her bonnet.

Please make checks payable to
Marlene's Specialty Shop
